

Nashoba Valley Training Schedule 07

Please call the Program Director in advance if you'd like to attend one of these clinics. Nashoba Valley does not teach any sit down or three/four track lessons and therefore does not hold these clinics.

Tuesday, November 27. **7:30PM.** Indoor clinic in the base lodge. Process – meet/dress, lesson booking, student files, lift tickets, etc., student assessment – student profile, cognitive disabilities discussion (behaviors), visually impaired overview.

Sunday, December 9. **On snow 9:00 AM until 12:00 PM.** American Teaching System (ATS) This is restricted to just our volunteers as this will be done by a Ski School Staff Trainer and I will have 18 people in that clinic.

Sunday, December 9. **On snow 1:00 PM until 3:00 PM.** Cognitive disabilities (on snow) and the adaptive equipment we use. Children's equipment (what's in the YL room).

Sunday, December 16. **On snow 9:00 AM until 12:00 PM.** Visually impaired teaching/guiding

Sunday, December 16. **On snow 1:00 PM until 3:00 PM.** Tethering stand up skiers
